March 27, 2026

To my valued patients and families:

I am writing to share some important news regarding my medical practice and plans for the future. After many rewarding years of serving our community, I have decided to **retire**, effective **June 30, 2026**.

Caring for you and your families has been a great privilege and honor, and I am deeply grateful for the trust you have placed in me over the years.

To ensure your care continues without interruption, our office will remain open and fully operational. My colleagues, **Dania Wierzbicki** and **Lara Gross**, share my dedication to providing personalized, high-quality healthcare. Having worked closely alongside them for years, I know you will be in excellent hands as they continue to manage your healthcare needs.

If you currently have an appointment scheduled after June 30, 2026, and would like to be seen by me personally before my departure, please contact our office as soon as possible. We will do our best to accommodate these requests based on remaining availability.

Your medical records will remain securely maintained at this office, ensuring a seamless transition of care to Dr. Wierzbicki and Dr. Gross. For more details regarding this transition or to learn more about our providers, please visit our website at www.dfwallergy.com or please call the office.

Thank you for the opportunity to be a part of you and your children's lives. I wish you continued health and happiness.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael E. Ruff".
